## BDI Hungary Announces the Launch of [new.bdiexpress.com](http://new.bdiexpress.com)

BDI Hungary is pleased to announce the launch of its state-of-the-art ecommerce platform, [new.bdiexpress.com](http://new.bdiexpress.com).

[New.bdiexpress.com](http://new.bdiexpress.com) is designed with a single goal in mind – to make it as quick and easy as possible for BDI Hungary customers to procure the products they need. Customers can search, price, compare and purchase thousands of BDI products in real time on the site – and at a time that's convenient for them.

Among the site's unique and robust features are quick and safe access to BDI customer accounts, including invoices, quotes, order and shipping status; personal catalog, saved shopping carts, saved quotes and easy quote flip to order; product comparisons, interchange look-up and real-time stock check among the four-million-item catalog; mobile applications; and buyer approval controls.

Complementing [new.bdiexpress.com](http://new.bdiexpress.com)'s product procurement capabilities, the site provides many value-added services, including a Knowledge Center. BDI Hungary customers can click on to [new.bdiexpress.com](http://new.bdiexpress.com) at any time to access automation and engineering information, including customized solutions for manufacturing process improvements, data collection and quality control.

With 200 global branch operations in the U.S., Canada, Mexico, Europe and Asia, BDI services manufacturing companies throughout the world. BDI is a leader in the distribution and application of bearings, mechanical power transmission, electrical power transmission, linear motion, fluid power, material handling, industrial and safety products. Value-added services offered by BDI include inventory and supply chain optimization, advanced technical support, documented cost savings and end-user training.
