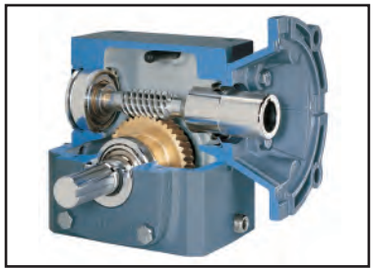
Specialty Services

Conveyor Belt Survey

Utilizing the proper conveyor belt will influence not only the life of the belt, but also the drive system and package handling efficiency. BDI's belt specialists can survey your facility and identify improvement opportunities.

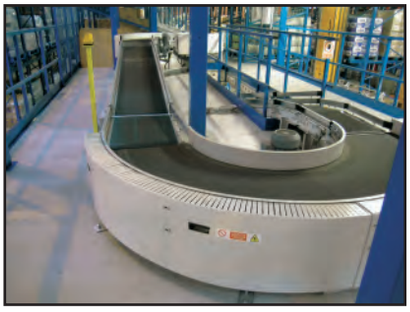


Drive Standardization

Standardizing on a preferred brand for AC Drives, Motors and Gearboxes can significantly reduce downtime, maintenance costs, spare parts and inventory.

Power Turn Belt Fabrication

BDI fabricates a wide variety of conveyor belts including Power Turns. Our Turn belts are cut using CAD ensuring proper fit during installation.



Turn Key Conveyor Systems

Customers benefit from our experience in providing complete conveyor systems & installation of both powered and gravity units.

Roller Standardization

BDI is your partner in simplifying the complex array of available rollers, idlers, pulleys and conveyor components.
